Civil Action No. 19-cv-05957

RECEIVER'S NOTICE OF FIFTH INTERIM DISTRIBUTION

**NOTICE TO ALL RECIPIENTS: THE DEADLINE TO OBJECT TO THIS NOTICE IS
OCTOBER 18, 2024**

N. Neville Reid, not individually, but solely as the Court-appointed receiver (the “Receiver”) for the Estate of Defendant Northridge Holdings, Ltd. and its related entities and affiliates as more particularly set forth in the Receivership Order (as defined herein) (collectively, the “Receivership Defendants,” and the assets of such entities as more particularly set forth therein, the “Receivership Assets,” and such estate the “Receivership Estate” and such administration, the “Receivership”), and pursuant to the powers vested in him by the *Order Appointing Receiver* entered by the Court on September 12, 2019 as amended [Dkt. No. 22, 108, 215] (collectively, the “Receivership Order”) and the Order Granting Receiver’s Motion for an Order Approving Distribution Plan and Certain Other Related Relief [Dkt. No. 288, see ¶ 16] (the “Distribution Plan Order”), hereby provides notice of a Fifth Interim Distribution as follows:

NOTICE

1. Total Amount of Fifth Interim Distribution: **\$8,400,00.00**. This distribution is intended to be made shortly after November 4, 2024.

2. **PLEASE NOTE:**

a. **Previously the Receiver indicated that the Estate intended to make a distribution of \$2,000,000.00 shortly after September 15, 2024 and a distribution of \$6,400,000.00 shortly after November 4, 2024. In order to conserve Estate resources and due to the fact that the two distributions were scheduled to be made weeks apart, the Receiver decided to combine these two planned distributions into one distribution in the amount of \$8,400,000.00.**

b. **IF YOUR ADDRESS AND/OR PAYMENT INSTRUCTIONS HAVE CHANGED SINCE THE LAST DISTRIBUTION, PLEASE CONTACT THE RECEIVER AND HIS COUNSEL TO ADVISE THEM OF ANY CHANGE(S).**

c. **If you previously confirmed special payment instructions with the Receiver and/or his professionals/staff, those payment instructions will be followed for the Fifth Interim Distribution.**

d. **Please visit northridgereceiver.alixpartners.com to contact the Receiver and his professionals with any updates and/or questions.**

3. Additionally, the Receiver seeks to provide notice of future anticipated distributions as follows (all are subject to change):

Distribution	Distribution Amount	Timing of Distribution	Comments
Sixth Interim Distribution	\$2,400,000.00	Shortly after January 26, 2025	This distribution is subject to reduction or may not be made if there are any adverse developments relating to taxes between now and January 26, 2025.
Seventh Interim Distribution	\$2,400,000.00	Sometime after May 18, 2025 and	This distribution is subject to reduction or may not be made if there are any adverse

		after the Court approves the closing of the Receivership Estate	developments relating to taxes between now and May 18, 2025.
Additional Interim Distributions/Final Distribution	TBD	TBD	

4. Payment of Investor Claims (Class 4): A summary of Fifth Interim Distribution Payments on account of allowed Investor claims is set forth in **Exhibit A** (the “Investor Claims Summary”). To the extent an Investor had IRA investments (or multiple IRA investments) and non-IRA investments (designated as “Cash/IRA” or “Mult. IRA” on **Exhibit A**), payment pursuant to the proposed allocation is set forth in **Exhibit B**.

5. Payment of Non-Investor General Unsecured Claims (Class 5): A summary of Fifth Interim Distribution Payments on account of allowed Non-Investor General Unsecured Claims is set forth in **Exhibit C** (the “Non-Investor Claims Summary”).

6. **PLEASE READ**: If you are an Investor and **not** scheduled to receive a distribution in **Exhibit A**, your account is listed in **Exhibit D** along with the percentage recovery you have received to date (determined by using Cash-In, Cash-Out ***plus*** the amount you received from previous receivership distributions). You are not receiving amounts from the Fifth Interim Distribution because “rising tide” methodology is being used. All investors that have received in excess of 75.4% prior to the Fifth Interim Distribution have received more by way of pre- Receivership and post-Receivership distributions than the Investors who are scheduled to receive a distribution in **Exhibit A**. You will begin receiving distributions (from potential future distributions) when the other Investors “catch up” to your recovery percentage.
